

## **Become a Business Sponsor**

We welcome the support of the business community and invite you to become a sponsor or underwriter of one or more Chandler performances! Revenue from ticket sales covers less than half of our direct and administrative expenses. Artist fees, publicity, printing expenses, hospitality for artists, rent, insurance and office expenses are considerable. Keeping ticket prices at a level that our community can afford, while making some tickets available at no cost to social service agencies and providing high quality programming, is a balancing act! Your corporate gift of money or an in-kind donation goes a long way in our work toward bringing diverse, high-quality cultural events to Chandler Music Hall.

For a donation of \$1500, your business will be listed as an underwriter of two Chandler performances. In addition to a full-page ad in the annual program booklet, the benefits include mention on our website with a live link to yours, recognition in all related press releases, on all posters displayed throughout Vermont and New Hampshire, listing in all newspaper ads, in the evening programs, and 6 complimentary tickets for each of the two performances.

For a donation of \$750, your business will be listed as a sponsor of one Chandler event, with a half-page ad in the season program booklet, and recognition on our website with a live link to yours, in all related press releases, newspaper advertising, posters and special mention in the evening's program. You will also receive 6 complimentary tickets for that evening's performance.

In-kind donations of food and lodging for artists, design work for posters and programs, printing of posters and programs, advertising, and set building supplies are welcome! Perhaps your business has a product or service that you would like to offer to the work of the Chandler Center for the Arts. For more information on how you may participate as a Business Sponsor please contact Betsy Cantlin by [e-mail](#) or at 802-728-9878.
